Gas Attack on Jerusalem Planned, Zionists Charge

CLAIM INVADERS MAP FINAL DRIVE ON HOLY CITY

Jewish Leader Urges People to Make Stand; Arabs Capture Fortress

CAIRO, May 30 (AP)—An Israeli government spokesman charged today the Arab legion of Trans-Jordan was planning to use gas in an attack tonight on the New City of Jerusalem.

Dispatches filed from Jerusalem gave no confirmation to the charge. A telegram filed at 5 p. m. Jerusalem time said the city was relatively quiet except for sporadic mortar firing from the center of town and the Beit Israel quarter.

"For the first day since the 14th there was no echo of machinegun fire through the hills of Jerusalem," the dispatch said.

The Israeli spokesman told reporters at Tel Aviv that the Jews had intercepted an Arab legion order to attack the new city with bombs, shells and gas.

"THIS IS AN eleventh hour attempt to force a decision in the battle of Jerusalem before the deadline set by the Security Council," he said. The council has asked the belligerents to agree, by Tuesday night, to a four-week truce.

Legion artillery was used earlier against the 80,000 to 90,000 Jews besieged in modern sections of Jerusalem.

The Israeli army reported its capture of pumping installations will relieve an acute water situation in Jerusalem. An announcement said Irgun-Zvai Leumi forces, advancing in two columns, captured the historical fortress of Antipatris in hand to hand fighting, and then went on to seize the water pumping installations at Ras El Ein.

This is northeast of Tel Aviv, just outside the state of Israel. The Jews said strong Iranian forces had been in command there.

"All water pump installations supplying water to Jerusalem are in our hands," the bulletin said. "At the same time units of Irgun advancing from the south occupied the royal air force camp, the other two military camps and the railway station in Ras El Ein."

"ALL THE VICINITY was cleared of enemy forces, who had heavy casualties. Jewish losses were five killed and a few wounded."

A Jerusalem dispatch said David Ben-Gurion, prime minister of Israel, had sent a message to Jews in the new sections of the holy city urging them to "stand fast during these trying days." The message added:

"Notwithstanding the end of fighting in the Old City, strenuous efforts to relieve Jerusalem and its surroundings are in hand and are being pressed. The efforts of the Jews in Jerusalem are being pressed."

Five Found Dead After Planes Crash

STUART, Fla., May 30 (AP)—Four Naval Reserve pilots and a Coast Guardsman were found dead today near three crashed training planes on the edge of the swampy Everglades.

Naval authorities said apparently the three single-engine planes crashed during a violent thunderstorm late yesterday. They were part of a 12-plane formation en route from Birmingham, Ala., to Miami.

Six of the 12 planes reached Miami last night, reporting bad weather. Two landed safely at the old Army air base near Boca Raton and a third landed at Naples on the West coast.

The flight had landed in Jacksonville for refueling and departed at 6 p. m. (Pottstown time). There was no word from the three missing planes until an intensive search found the crashes today.

The SNJ, two-place trainers were spread over a swamp about seven miles northwest of Stuart. Swamp buoys reached the scene this afternoon and began bringing out the bodies.

The dead were not identified immediately.

TRUMAN PLANS POLITICAL JAUNT THROUGH WEST

Campaign Swing Viewed As Popularity Test for President Seeking Post

WASHINGTON, May 30 (AP)—President Truman's Western speaking tour began to take on the form today of a test between those who don't—and those who do—want Mr. Truman to become the Democratic presidential nominee.

The President leaves Washington Thursday night for a western swing on which he will make five major speeches and any number of informal appearances.

A lot of pains has been taken at the White House toward making sure that everything runs smoothly and that Mr. Truman is presented to his fellow Americans in the best possible light.

In this connection, a pro-Truman Democratic official told a reporter the President will attempt to prove to members of his own party, as well as to the public, that he is the kind of campaigner who can win in November no matter whom the Republicans nominate.

THIS OFFICIAL said that if all turns out as he expects it to, the trip may take most of the winds out of the sails of those who hope they can get the July Democratic convention to discard the President.

On the other hand, this official said that if the reaction to Mr. Truman's speeches is not favorable—or if the President should make some damaging slip in off the cuff remarks somewhere—then those who say the President might eventually agree to step aside in the convention will have fresh ammunition.

There are signs that party leaders in such pivotal states as New York, Illinois and California will be watching the President's performance closely.

U. S. Raps Lebanon For Holding Citizens

WASHINGTON, May 30 (AP)—The United States has accused Lebanon as an international lawbreaker in a second sharp protest against detention of 41 Jewish Americans seized by force from an American merchantman.

The State department made public today its rejection of Lebanon's explanation as "unsatisfactory."

Demanding "immediate release" of the Americans, the note delivered in Beirut Saturday by U. S. Minister Lowell Pinkerton, declared that the United States view Lebanon's action as "in disregard to the established principles of international law relating to the rights and duties of a state with respect to aliens."

While assailing the Arab state's stand as illegal, the State department went on to demand arrangements for releasing the captives on terms made by Lebanon. Official said plans are not complete, an official said.

This requires that they come back to the United States and not go to Palestine. Lebanon based its seizure of them on the contention they were going to fight against the Arabs. They are in a concentration camp.

Death Toll Hits 17 as Floods In West Ravage Small Towns

SEATTLE, Wash., May 30 (AP)—The bulging Columbia river and its tributaries spread new destruction for 100 miles down through Central Washington state today as the death toll in the Pacific Northwest floods climbed to 17.

Worst hit was Okanogan county in the northern part of the state where a stream wrecked one-fourth of a village of 200 and carried a flood-fighter to his death.

Several thousand were homeless today over the newly-ravaged area as the steadily rising water surrounded their places.

The high waters were heading on toward Portland, where they were expected to put water into one section of the business district.

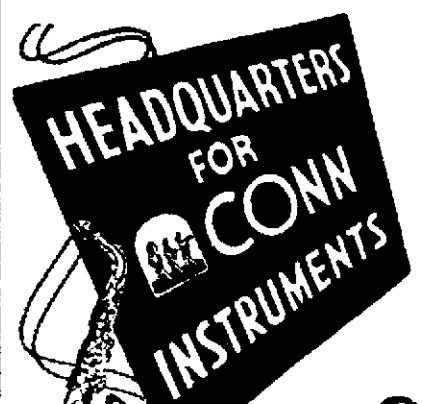

The wrecked village in Okanogan county was Concoquilly. Waters of Salmon creek, fed by the melting of deep snows in the mountains and heavy rains, hit the town. Sheriff's officers said 25 percent of its buildings were upset or heavily damaged.

ONE RESIDENT DIED in the river. He was Cy Walters, 70, one of several men who were sandbagging the approaches of a bridge and were catapulted into the river when the bank gave way. The rest escaped.

Two thousand more were estimated homeless in Okanogan county alone. Sheriff's officers said all roads into the Okanogan valley were either impassable or studded with detour signs. All of the Methow valley was described as impassable.

Several bridges in the county were reported washed out or threatened.

Three hundred were driven from their homes in Omak and Okanogan, the two largest cities in the county. Workers were holding their own against the waters in Oroville, Tonasket, Winthrop and Twisp. But Oroville was without power. Tonasket had no phone connection with the outside. Winthrop was isolated both by road and phone and Twisp had a single phone line to the outside.

LAKE SUCCESS, May 30 (AP)—The United States was credited here today with saving Britain's Palestine armistice plan from a Soviet veto.

The United Nations Security Council is awaiting Jewish and Arab answers to the British proposal for peaceful mediation, which the council approved last night.

Several delegates said they had hopes the Arabs and Jews would accept before the council deadline, which is 6 p. m. Tuesday.

The council called for a four-weeks' cease-fire in Palestine, an embargo during that period on sending arms and men into Palestine and the seven Arab countries, and for Jews and Arabs to cooperate with the U. N. mediator, Count Folke Bernadotte of Sweden.

Authoritative circles credited American Delegate Warren R. Austin with playing a strong role in rewriting the British resolution to make it acceptable to the United States and at least tolerable to Russia.

YESTERDAY, BEFORE the council voted on Russian demands for force to end the war, the British approached Austin and asked him to talk over amendments which would make the British plan agreeable to him.

Austin refused even to discuss it. He was reported as feeling that he backed the Russian call for force completely and he could consider no other course while that was before the council.

Once the council voted on the Russian proposal, which came two votes short of adoption, Austin swung into action.

He tossed in a flock of amendments to the British plan.

Andrei A. Gromyko, Soviet deputy foreign minister, had attacked the British proposal in such strong terms that the delegates knew a veto was coming up unless changes were made. Gromyko charged the British proposal was pro-Arab and anti-Israel.

Chinese May Abandon Manchurian Capital

NANKING, May 30 (AP)—Reports circulated today that the government is about to abandon Changchun as the Communists threaten to sever the last link between that Manchurian capital and the rest of China.

These reports have circulated before. This time they were strong enough to prompt the Manchurian bloc in Nanking to appeal to the government to save Changchun.

Two Senate Groups To Open Investigation Of 'Voice' Broadcasts

WASHINGTON, May 30 (AP)—Two Senate committees will start joint public hearings Tuesday into the "Know North America" broadcasts which angered lawmakers who said their states had been slurred.

Chairman Smith (R-NJ) of a Senate foreign relations subcommittee said the objective is to determine the responsibility for the broadcasts, and to make certain the same "mistakes" don't happen again.

He made clear that he felt the State department's Voice of America programs, of which the series was a part, must be "continued and strengthened."

Smith's group is acting jointly in the inquiry with the Senate investigating committee, of which Senator Ferguson (R-Mich) is chairman.

3 KEY DISPUTES IN LABOR REACH CRUCIAL STAGE

Coal, Rail Workers And Atomic Employees Could Tie Up Nation

WASHINGTON, May 30 (AP)—Three of the nation's toughest labor disputes head into crucial stages this week.

They could tie the country's economy and defense plans in knots if walkouts actually occurred.

The disputes involve John L. Lewis' 400,000 soft coal miners, about 900 AFL atomic energy workers at Oak Ridge, Tenn., and 180,000 members of three railroad brotherhoods, now working only because the court ordered them to.

In addition to these three, the threat of a shipping strike which could stall the European aid program is in the offing. CIO contracts on all coasts expire June 15. A strike of CIO-National Maritime union members on the Great Lakes already is underway.

The Lewis case going before Justice T. Alan Goldsborough on Wednesday. General Counsel Robert N. Denham of the National Labor Relations board is seeking an order injunction against Lewis and the United Mine Workers.

THIS TIME IT is to force Lewis to bargain with the Southern Coal Producers association, representing one third of the nation's bituminous coal output.

Contract negotiations between Lewis and the bituminous operators broke up May 19 because the UMW boss refused to seat President Joseph E. Moody of the Southern association as bargaining representative of the Southern operators.

Moody promptly appealed to the NLRB and Denham charged Lewis with an unfair labor practice. The coal contract expires June 30. The Oak Ridge dispute has caused headaches for everybody connected with it. These include Cyrus Ching, head of the Federal Conciliation service, the Atomic Energy commission and the White House.

Boy Held in Child's Slaying, Faces Questioning in 2d Death

CHICAGO, May 30 (AP)—A 14-year-old boy accused of killing a girl playmate, eight, faced questioning today about the death of another child.

The youth confined in the juvenile home, after a coroner's jury recommendation that he be held to the grand jury for smothering little Nancy Schuler Thursday, is Roy Adams.

William J. Tuohy, Cook county State's attorney, said the Adams boy related that he had held a pillow against the girl's head, pressing her against his bed until she ceased to cry and struggle. Tuohy said the youth had molested the child before she was suffocated.

NANCY, HE SAID, had come to Roy's bedroom from the Schuler's flat across the hall to borrow comic books.

Investigation of the second death, three years ago, was asked by District Attorney W. A. Cowell of Keweenaw county, Wis.

Cowell told Chicago authorities that Roy Adams, then 11, had been with Wallace Lysay, six, of Keweenaw, June 7, 1945, when the younger boy was drowned near a Lake Michigan breakwater.

The drowning was deemed accidental at that time.

Cowell said that no one was with the two boys at the time of Wallace's death. He said that Roy had related the Lysay boy apparently tumbled from the breakwater, but he was at the base of the wall gathering stones and did not see Wallace until he spotted the small boy's head in the water.

Coast Guard searchers found the body next day.

While Roy Adams waited away his time awaiting grand jury action on his case Tuesday, Nancy's

Pittsburgh Girl, 17, Admits Murder of Aunt During Dispute

PITTSBURGH, May 30 (AP)—A slim, 17-year-old girl who told police she knocked her aged aunt unconscious with a flower pot and then set her clothing afire, today awaited coroner's action on a charge of murder.

Her aunt, Mrs. Gertrude Norris, 65, died in a Pittsburgh hospital last night. An autopsy disclosed death was caused by shock and hemorrhage.

Police Lt. Peter A. Connors said the niece, Dolores Waldo, was a ward of the juvenile court and had gone to live with her aunt only two weeks ago.

Dolores was held at No. 1 police station. Connors said she would be turned over to the coroner Tuesday.

pink-lad body was shipped to Allentown, Pa., family home of her parents.

Deafened Now Hear Whispers 5 Feet Away

Tests by the American Medical Association's Council on Physical Medicine show that science has now enabled deafened people to hear faint sounds, to easily understand whispers from 5 feet away, aided by a tiny hearing device so light you hardly know you are wearing it. With it thousands now enjoy music, sermons and friendly companionship. Finger tip controls let you adjust it instantly to changing sound conditions. No separate battery pack, wires or harness bulge to weigh you down. The makers of Beltone, Dept. 25, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send you a free descriptive booklet and explain how you may test this remarkable device in your own home without risking a penny. Write Beltone today.

Blow, trumpeter. He who lies within this tomb cannot hear you. Speak, orator. He whom you eulogize will sleep on into eternity. For he has heard so many trumpets blown and so many orations spoken that they have lost their meaning. Come, families and school children; fraternal organizations and political leaders — lay your wreaths. But their fragrance and the mottoes they carry will hold no hope for him; their leaves have dried and fallen and their fabric shredded and blown away year after year. He who lies in the tomb is dead. He went into battle fearful as well as gallant, and was struck down. And being a modest fellow, only is made uneasy by trumpets blown, pretty speeches and flowers in his honor. But one thing he would appreciate . . . one thing which could make his eternal sleep more peaceful . . . would be for you and me and every member of our families to see to it that his number is not increased. So in his name, let's work harder for unending peace!

Europeans Honor U. S. War Dead in Foreign Cemeteries

LONDON, May 30 (AP)—Many thousands of Europeans gathered on a Memorial Day of alternating sunshine and rain today to honor American war dead at dozens of cemeteries.

Americans who died in the Battle of the Bulge, in dreary Ardennes woods, and at Bastogne were honored at the American military cemetery of Notre Dame near Dinant, Belgium. There, Gen. Lucius D. Clay, United States commander in Europe, said these Americans rest in a free country, and he made a pledge to the dead:

"We shall not fail these heroes in our efforts to establish and maintain freedom."

Raoul de Fraiteur, Belgium's minister of national defense, said the cemetery has become and will for all time be a place of pilgrimage for Belgians. Every grave in the cemetery was marked by a small American flag.

Alan O. Kirk, United States ambassador to Belgium, said families in America are comforted by the thoughtfulness of the citizens of the little villages which surrounded the Belgian cemetery.

On a spot which was an American outpost in the Battle of the Bulge, Kirk buried a copper cylinder bearing names of officials who took part in the ceremony today. Next September a monument being constructed on the spot will be unveiled.

LT. GEN. CLARENCE R. Huebner, deputy commander of American forces in Europe, spoke at a memorial service at Margraten, Holland. Many Americans buried there served with Huebner in the war.

"They were never found wanting," he said.

At Solers cemetery near Paris, U. S. Ambassador Jefferson Caffery said America's responsibility to fulfill its obligations to its soldier dead has never been greater "because of renewed threats to freedom."

Caffery spoke later at Suresnes cemetery, where dead of the World War I lie. At the Place des Etats-Unis he laid a wreath on the monument to men who served with French forces. American and French war veterans paraded from the nearby American church to the Arc de Triomphe where Caffery laid another wreath on the tomb of France's unknown soldier.

LT. GEN. CURTIS E. LeMay, commander of American air forces in Europe, voiced at Solers cemetery the hope that "universal freedom may ultimately be achieved through mutual understanding among nations."

IN A MEMORIAL service at Berlin, Maj. Gen. George P. Hays, American deputy governor, said it is a sincere American desire to see a prosperous and happy Germany rise from the devastation of war.

At Castel Fiorentino in Italy, a Memorial Day tribute was paid to 4772 United States war dead by the man who commanded them in their last battle—Lt. Gen. Geoffrey Keyes, now military commander in Austria. Facing the ranks of crosses General Keyes said:

"They are all listening here to know what peace the survivors have obtained for the sacrifice of their lives in the fight for liberty. The United States continues to fight for the four freedoms for all people."

There will be London services tomorrow. U. S. Ambassador Lewis W. Douglas will lay a wreath on the tomb of the unknown warrior in Westminster Abbey.

Comparing Sizes of U. S. Long Range Bombers

This picture gives you an idea of the enormous size of the four-engined Flying Wing B35 long range bomber, in comparison to the B17 Flying Fortress, considered the top in big bombers only three years ago. The new aerial heavyweight, now undergoing tests at the U. S. Air Force experimental base at Muroc, Calif., weighs 10 tons. It measures 172 feet from wingtip to wingtip and can fly 10,000 miles non-stop at speeds far in excess of those prevailing during World War II.

Advice to the Lovelorn

Don't Let Your Relatives Run You

A FEW Weeks ago, I discussed in this column the letter of a young wife whose husband's relatives made her life miserable with their constant criticism. When they couldn't criticize, they sneered, particularly when they saw, by the tender relationship between the husband and his wife, that after two years of marriage the two were as much in love as in the early days of their courtship.

My advice to this wife at that time was to make an effort to laugh the whole thing off, in the hope that when these nagging in-laws saw how unimportant she considered their attitude, they would cease to find satisfaction in trying to upset her.

A letter from a man who saw this column is a perfect and tragic illustration of what disastrous things can happen when a wife hasn't the character and the will power to handle such a situation in this way.

"MY WIFE and I were very much in love for three years," writes this reader, "but our case was similar to that of the other couple you wrote about. My father couldn't see two people being happy together and was constantly nagging about our relationship. I passed it off as envy on my father's part, or perhaps his old-fashioned ways. But my wife couldn't take it. We couldn't move away because of the housing shortage which made it impossible for me to even get rooms. "Well, finally my wife packed her clothes and took our little boy, and we have now been divorced nine months, all because of my nagging parent and my having overlooked it. I still love my wife, and she has promised me that some day when the future looks brighter, we may be together again."

"My advice to the husband of the young woman who wrote you is: stick to the woman you married, no matter what anyone has to say. Remember that love is more important than nagging in-laws."

THIS IS EXCELLENT advice, and I am very glad to pass it on. Evidently the man who wrote this letter only woke up to the harm nagging relatives can do after it was too late. On the other hand, I wonder if perhaps the marriage might not have been saved, if the wife had been able to take a different attitude toward the matter.

The point is, of course, that the relationship between any married couple is definitely endangered the minute they allow the relatives of

either to run their lives, or even to persistently attempt to do so.

As this particular husband now realizes, it is up to the man to side with his wife in any such situation. No one, of course, wants to alienate members of their own family, but if it comes to a showdown, and a man must choose between standing on the side of his relatives or side by side with his wife, there should be no hesitation in his mind over what to do. Presumably, when a man takes a wife, he does so because his desire to be with one certain girl is greater than his desire to remain with his family. Once having made that decision, he should support it through every crisis that may arise between the in-laws and the woman he married.

Japan's 'Drunk Robber' Strikes Again at School

TOKYO, May 30 (AP)—That "drunk robber" may have struck again.

Some time ago a robber broke into a Tokyo house, accepted some wine from his victim, became mellow, disgorged his loot and left with apologies.

This time—and it could be the same one—a robber turned up at a kindergarten of all places. He was drunk, and tearful.

He took 1750 yen (358) and a wrist watch from the kindergarten operator but he was so drunk he couldn't find his way out again.

The operator kindly led him to the door. If this is the same robber as that other one he is getting meaner.

Far from disgorging his loot in return for this courtesy, he kept right on going with the 1750 yen and the wristwatch.

In reverence we speak of the honored dead who never can come home from the wars. The memory of them is so dear to us that we shall always endeavor to live by the same high principles of democracy for which they died.

of 639 Chestnut street, and Alex Smith, of Phoenixville.

Bush, coming south on north Hanover street, was turning right onto High street, and Smith was turning left on High street from the northbound lane on Hanover street, when their cars collided.

The left front fender, left door and bumper of Bush's car were damaged, while the right front fender and headlight of the other vehicle sustained damage.

The accident was reported at borough hall by the drivers.

CARS DRIVEN by Charles F. Faust, of Douglassville RD. 1, and by Carl L. Ludwig, of 550 Howard street, Stowe, were involved in an accident in front of Penn Village, at 7:42 p.m. Saturday.

Faust told police he was driving east on West High street when Ludwig stopped suddenly, making it impossible for Faust to halt in time.

Ludwig, on the other hand, said that he was going 20 miles an hour. When he saw Faust's car in the rear view mirror, he tried to accelerate but was unable to do so in time to avoid the rear-end collision.

Both front fenders and grill of the Faust car, and the rear bumper, right rear fender and spare tire of the Ludwig automobile were damaged.

Sgt. Daniel J. Linton and Motor Patrolman Lewis M. Borgiet investigated.

WHEN ONE DRIVER started to turn left into York street from High street, and a second, going west on High street, was unable to stop in time, the result was bent doors and fenders in both cars.

Henry M. Crocker, of 224 Walnut street, Stowe, was driving east on High street at 7:35 p.m. Saturday, and his car, turning left into York street, was struck by one driven by Elmer E. Hampton Jr., of 28 Berks street, Stowe.

The right rear body surface of Crocker's car was dented, as well as the right rear fender. Hampton's automobile sustained damage to the right front bumper, fog light, headlight lens and right door.

Patrolman Charles Stetler and Borgiet investigated the collision.

A TRUCK AND passenger sedan collided at High and Evans streets at 12:30 p.m. the past Saturday.

The driver, Walter W. Kerlin, of Pottstown RD. 2, told police he was driving south on Evans street when he pulled around another driver who was turning right into High street.

As Kerlin drove into the intersection, his truck was hit by an automobile driven by Lester R. Uimer, of 1062 Queen street, who was coming east on High street.

Uimer said he was driving between 15 and 20 miles an hour, and that the light was in his favor. Kerlin insisted that the Queen street driver drove on an amber light.

The right front fender of the truck was scraped and the right front spring broken. The left front fender of the car was damaged and the front bumper torn loose.

Motor Patrolman Thomas A. Lawler and Special Officer Andrew Kovach handled the investigation.

"She shows no desire for food," Gan said. "She never asks for it. She has complained of thirst only three times. When I asked her why she didn't drink more she said she didn't feel comfortable."

"I could guess why she does not want to eat or drink. There could be psychological reasons. But I cannot understand how she can live."

The doctor said the girl had been given a thorough physical examination to check her story of a nine-year fast. Why hasn't she?

"She's a peasant girl," Gan said, "and country people don't understand western medicine. Distant relatives who brought her to Chungking were afraid she might be hurt. They refused to let her undergo examination."

Greek Troops Attack Red-Led Guerrillas

ATHENS, May 30 (AP) — Greek troops are striking successfully at Communist-led guerrillas in the Mount Othrys area of Central Greece, the general staff announced today.

The communists said guerrilla storehouses and 102 cavalry horses were captured during the engagement northeast of Lamia. Greek troops also rounded up 107 guerrillas, relatives of guerrillas and members of the Communist underground.

It is estimated that some 400 guerrillas, led by a wounded captain named Fotinos, are stationed in the area. They have been terrorizing the Almyros plain to the north.

The communists said an important action was in progress on Mount Kaimatchlan immediately south of the Yugoslav border near Edessa. Greek troops made a surprise attack behind guerrilla positions in the Mount Grammos area and destroyed the rebels' line of communication.

Agriculture Secretary To Set Up New Program

WASHINGTON, May 30 (AP) — Charles F. Brannan takes over as the new secretary of agriculture in time to draft a 1949 farm program which may offer lower Government price guarantees on many products. The Senate confirmed his nomination to the job on Friday.

Lower price supports would not necessarily be followed by lower farm product and food prices. Actual prices themselves may hold above Government guarantees, depending on how much is produced and how much is needed. Prices tend to drop when supplies exceed demands.

War-time laws which directed the department to provide price protection to farmers at relatively high levels expire Dec. 31 unless Congress extends them.

250 School Girls Robbed On Train in Japan

TOKYO, May 30 (AP) — Thirty gunmen terrorized a train load of 250 school girls on the main line railway west of Nagoya yesterday, seized suitcases and watches, and escaped, the newspaper Yomiuri said today.

The robbers had boarded the Tokyo-bound train at Kyoto. They took over when the train went through a tunnel, then calmly quit the train separately at various small stations. The girls had been on a school trip to Kyoto and were returning to Tokyo.

Julia, and a brother, Paul, both at home. Funeral and interment arrangements will be made later.

Lt. Vanderslice was killed over Truk, in the Pacific area, while carrying out his duties as a bomber pilot.

More than a year earlier, on Feb. 3, 1943, his B24 Liberator was shot down over Chosel in the Solomon. The plane dived 13,000 feet in flames, leveled off 100 feet above the water, and five of the crew were able to climb into a rubber boat. There, they spent the next 19 days on the open sea.

FINALLY, THEY LANDED on a small island, where they were cared for by natives until they were returned to the Army on March 5. During his stay in the Pacific area, Lt. Vanderslice was almost constantly in aerial combat.

He entered the service as an aviation cadet on Sept. 6, 1941, and was commissioned a second lieutenant in the Air Corps on April 27, 1942.

Lt. Vanderslice left the United States on Oct. 27, 1942. His awards included the Flying Medal, the Silver Star and the Purple Heart.

He was a graduate of the Allegheny High school and of the Perkiomen school, Pennsburg. The young man left Penn State college, where he was enrolled in the school of mineral industry, to take a job in the sales of the Sun Oil company, and he was in Williamsburg when inducted.

Lt. Vanderslice is survived by his parents, Mr. and Mrs. Harvey R. Vanderslice, of Pottstown RD. 1, and by his wife, Jane (Fuller) Vanderslice, of Williamsport.

A memorial service was held in the Coventry church of the Brethren on July 2, 1944, and only brief interment services will be held when his body is returned.

The tax rate was not raised this year, Rhoads explained, because the board raised it four mills the past year and at that time vowed to keep it at the present level for another year at least, "in fairness to the taxpayers."

Chrysler Pact's Approval Is Virtually Assured

DETROIT, May 30 (AP) — The CIO United Auto Workers announced today its 13-cent wage boost agreement with Chrysler corporation was virtually assured ratification by 75,000 workers ending their strike.

Enough Chrysler locals meeting today reported overwhelming approval of the settlement to insure its adoption, a union spokesman reported.

The agreement that ended a 17-day walkout was announced Friday night by the union and company. The next day a few maintenance workers returned to 16 Chrysler plants. More workers were expected to be recalled Tuesday, and the firm has said its production employees all would be on the job by June 7.

The increase will bring Chrysler workers wages to an average of \$1.63.

'Abraham Lincoln at Gettysburg spoke words to which he attached no world-stirring significance. They were merely an expression of thoughts, which, to him, were a creed. They were nothing new to him.
Yet students and practitioners of liberty took up those words and showed them to the world as America's own expression and interpretation of belief. With such a creed for our land, it leads us to resolve more firmly that these priceless possessions shall not perish from the earth.

The will, dated Aug. 30, 1938, named her three children, Cora, Verna and Claude, as executors and heirs of the estate in equal shares. The petition says the other two children, Cora and Verna, have died.

Gilbertsville Girl Scouts To Meet Wednesday

Girl Scouts of Troop 12, Gilbertsville, will meet at 7:45 p. m. on Wednesday, as well as on June 9, it was announced at a recent meeting.

The change in meeting time was occasioned by the opening of a vacation Bible school during the next two weeks from 8 to 8 p. m. daily.

Two girls, Lorna Sell and Gloria Rothenberger, were admitted into membership. The girls enjoyed a baseball game at the consolidated school playground during their recent meeting.

Mrs. Donald Caldwell, leader of Troop 10, Boyertown, attended the meeting and taught new games to the group. Sonja Martin, assistant leader of the Gilbertsville troop, was in charge of the meeting.

Seek Aid for Needy Youngsters

At a New York fashion show and luncheon, sponsored by American Overseas Aid-United Nations for Children, little Francine Gerbasio, dressed in potato sack, shows the attire worn by many poor European youngsters today. Attired in native Czech-Slovakian costume, Joseph T. Minus stands beside Francine to depict graphically what it means to be well-dressed and to be well-fed in the world.

Mortician Retires; Establishment Sold

Clayton H. Moyer, well-known Bechtelsville funeral director and furniture dealer, has announced his retirement from business and the sale of his establishment to Melvin Kuser, a radio and television dealer.

Kuser will continue the furniture business but will relinquish the undertaking establishment. He purchased the Moyer funeral home as well as the business.

Moyer will retire on Aug. 1, and with his wife will move to their home along Route 73 in Friedensburg. Moyer was graduated from Keystone State Normal School in 1902 and was a school teacher for 16 years, having taught in Washington, Colebrookdale and Douglass townships.

Area School Districts Reimbursed by State

Among payments to 24 school districts totalling \$23,541.21, for tuition reimbursement for the school year ending July, approved in Harrisburg by Auditor General G. Harold Wagner, are the following: Bechtelsville borough, \$555.40; Colebrookdale township, \$2681.85; Douglass township, \$1723.75; Earl township, \$1195.70; Hereford township, \$632.20; Pike township, \$390.09; and Washington township, \$1544.59.

Baron's Daughter Dies; Won Hitler's Friendship

OBAN, Scotland, May 30 (AP)—Unity Freeman-Mitford, 33, center of a storm of speculation at the beginning of the war because of her friendship with Adolf Hitler, died last night.

Miss Freeman-Mitford, the daughter of Baron Redesdale, became ill a few days ago at the home of her parents on the island of Inchkeith. A friend of the family said her death was believed to have been caused by meningitis.

In Germany, near Hitler's Berchtesgaden retreat at the beginning of the war, she was seriously wounded by a pistol shot in the head under circumstances never publicly explained.

Memorial Day

Monuments have been built—flowers have been strewn . . . in memoriams have been composed—dirges have been played . . . tears have been shed—mourning has been worn: all in the names of those who breathed their last in battle. They have died, but we shall hold high the goals for which they reached and freedom will live forever in their name.

For Better Farming, Better Living, Buy A Water System

There's better farming and better living and an abundance of water with the Myers water systems.

In one week's time or less, a Myers water system will convince you that no other type of farm equipment—at anywhere near its price—can do so much for better farming and better living.

As income-producing equipment, it is one of the best investments on the farm—and should be one of the first. It's a daily money-maker that soon pays for itself, back its cost through increased production of farm animals.

And nothing can make farm living more pleasant than an automatic Myers water system. City people demand running water—but, most of all, it is needed on the farm. Why not give your family all the advantages of city water service? Not next year or the year after, but NOW! Talk it over fully with your family.

Then drop in at Carl N. Dunmire's on the Benjamin Franklin highway, Sanatoga, Phone 2375, where "everything for the farm" is sold, and look over one.

Mr. Dunmire will be glad to explain more in detail why you should have a Myers water system not only on the farm, but for suburban use.

Clean-Up Time Means Cesspool Needs Attention

Spring is always clean-up and improvement time and for that matter all the warm-weather months ahead.

But during hot weather we must pay particular attention to sanitary conditions around the home and farm. These health matters are more important than ever during the warm months.

That means, don't neglect your cesspool or septic tank. They should be cleaned regularly by someone who knows the business with modern equipment and at periodic intervals. Some people do not realize the importance of this, but it remains a tested fact.

William S. Hickman, West Chester, 1454, has been doing this work for years and offers modern equipment and skilled workman. He gives professional service. Odorless excavating is also done anywhere, at lowest prices.

Phone West Chester 1454 and ask for his services now.

Oil Change Every 1000 Miles Important To Prevent Machine From Wearing Out

Practically any person knows that if machinery does not receive the proper amount of oil or grease it will wear out in time and break down.

Most of us in this machine age are concerned about our automobile in this respect—or at least we should be!

Lubrication is important every thousand miles and likewise oil should be drained in the crankcase at the same interval and replaced with new, fitting the season. Spring is here and it is doubly important that old winter oils and greases be removed with power guns and new lubricants put in.

That calls for the services of your gasoline station attendant and he is waiting for you to call.

Some people have neglected this in this vicinity and it should be attended to immediately.

Don't risk a costly garage bill because of your failure to have your car lubricated and the crankcase filled with the proper grade of new oil.

The Amoco Service station, 54 High street in Pottstown, offers Moto-Sway lubrication as a solution to your car preservation program.

Do as so many other motorists are doing in this area—drive here for a Moto-Sway job that will make your car last longer and perform better.

Diamond, Watch Ideal Graduation Gifts

Make it a diamond or a wrist watch for that June graduate, from high school or college, and you won't be making a mistake!

And for that June bride, of course she must have a diamond that she'll remember and be proud of the rest of her life!

Graduation from high school or college and marriage are memorable events in the lives of all of us. It calls for special attention to those important "details" like gifts and presentations. They are epochal moments that demand stern consideration and careful gift buying.

It would be a sad world indeed if we passed by that boy or girl who has been struggling in classrooms for years and failed to give them some sort of a gift for their efforts and the "big day"—graduation!

For many years it has been customary to give the girl a diamond ring—usually her first—and the boy a watch.

And you won't make a mistake carrying out that traditional rite again this year.

Charles Longacre, jeweler at 17 North Hanover street, has a fine selection of both diamonds, wrist and pocket watches. Here you will get quality jewelry that you'll be proud to give as a gift.

And diamonds are of choice quality—the finest obtainable on the market.

WEDDINGS

Methodist Church Is Scene of Wedding Of Phyllis Hunsberger and Clare Mock

Amid candelabras and huge bouquets of white gladioli and carnations flanked by palms, Miss Phyllis P. Hunsberger, 414 Main street, Royersford, became the bride Saturday afternoon at 2 o'clock of Mr. O. Clare Mock, 226 South Fifth avenue, Royersford.

The bride is the daughter of Mr. Russell Hunsberger, 732 Walnut street, Royersford, while Mr. Mock is the son of Mr. and Mrs. H. Clare Mock, 226 South Fifth avenue, Royersford.

The double ring ceremony was performed in the Royersford Methodist church with the Rev. Courtland Pusey, pastor, officiating before a large number of friends and relatives. Preceding the ceremony, and during the rites, appropriate bridal music was presented by Mr. Charles Floyd, organist, and Mrs. Edna Bauer, vocalist.

THE BRIDE, who was given in marriage by her father, was charmingly gowned in white nylon marquisette with illusion neckline trimmed with chantilly lace. The softly molded bodice was outlined with a scalloped lace bordered peltum and was attached to a very full hooped skirt. Pick-up bows at the hemline revealed lace inserts. A long court train completed the costume. Her finger-tip veil fell from a seed pearl crown. She carried a shower bouquet of carnations with detachable orchid center and white satin streamers.

Serving as matron of honor, Mrs. Natalie DePietropoli was the cousin of the bride who selected a peach faille dress featuring a square neckline and long torso bodice. The gown was designed with a large bow in the back and draped skirt. With the cap sleeves she wore long lace gloves and a matching picture hat. Her flowers were an old fashioned bouquet of blue cornflowers and pink carnations.

THE MISSES Jean Rambo and Evelyn Schelle, the bridesmaids, appeared in light green and naive faille gowns styled identically with the matron of honor's dress. They carried old fashioned bouquets of yellow carnations and blue cornflowers.

Mr. Raymond Overdorf performed the duties of best man while the ushers were Mr. William Hunsberger, brother of the bride, and Mr. John White.

Mrs. Mock selected a crepe dress in pale green, with which she wore a natural straw hat and white accessories. She wore a natural orchid.

Following the wedding a reception was held for the young couple in the Clover Leaf tearoom, after which the couple left for a honeymoon through Canada and the New England states. After a two-week trip they will be at home to their friends at the home of the bridegroom's parents.

Mrs. Mock attended Royersford High school, graduating with the class of '45, while the bridegroom graduated with the class of '46. Both are employed at the Diamond Glass company.

Miss Dorothy Spare, Mr. John B. Griffith To Marry in Limerick

The marriage of Miss Dorothy Anna Spare, daughter of Mr. and Mrs. Jacob Spare, Limerick, to Mr. John Baldwin Griffith, son of Mr. and Mrs. R. Cecil Griffith, Spring Mount, will take place at 4 o'clock Saturday afternoon, June 5, in the St. James Reformed church Limerick, with the Rev. W. Reed Teitsworth officiating.

Mrs. Gordon Roessler, sister of the bride will serve as matron of honor and taking the role of bridesmaids are Mrs. Harry P. Leister, another sister of the bride, and Miss Charlotte Banay, a cousin of the bride.

Mr. Robert Griffith will serve as best man for his brother while ushers will be the Messrs. John LeFever and Homer Long.

Presiding at the console of the organ will be Miss Betty Brimmer with vocal selections given by Mr. John Slepicka.

To make homemade corned beef hash, chop a piece of the beef with an onion and add freshly cooked potatoes broken into small pieces. Moisten with top milk or a little cream and fry in a skillet in which butter or margarine has been melted. Season with salt and pepper and keep the heat under the skillet low so the hash will brown well. Then fold it over and serve with a poached egg.

Draped Look

Even for the hottest days this Summer, women will have a draped look to keep their skin soft and pink. A great number of the dresses will button to the neck and have long sleeves. Hats are fast becoming a portion of left over material draped about the head to give the single color look.

Impressive Double Ring Ceremony Unites Edith Elizabeth Beam and Frederick Erb

A beautiful wedding was performed yesterday afternoon in Mount Carmel Methodist church when Miss Edith Elizabeth Beam and Mr. Frederick Geist Erb Jr. were united in marriage with the Rev. Theodore Fischer, pastor of Transfiguration Lutheran church, performing the double ring ceremony.

Miss Beam is the daughter of Mrs. Ottilia Beam, Elverson RD 1, while Mr. Erb is the son of Mr. and Mrs. Frederick G. Erb Sr.

A huge basket of all white flowers centered a flanking of ferns on either side of the altar, with satin streamers marking off the family pews. Bridal music was furnished by Miss Mary Houck at the console of the organ and Miss Reba Yoder, vocalist.

Before a large number of friends and relatives, the bride was given in marriage by her father, Mr. Erb. For her wedding dress she chose a white faille gown featuring an illusion neckline and tight fitting bodice. The long sleeves, full at the top, tapered to a point over each wrist. Tiny pick-ups in the very full skirt allowed lace ruffle insets to peek through. The skirt swept out in back to form a long circular train. Her chapel length veil fell in three tiers each edged in lace. She carried a white Bible to which was attached a white orchid and satin streamers.

Mrs. Caroline B. Stewart, sister of the bride, appeared as matron of honor in a pink faille gown of Colonial design, with softly molded bodice and very full skirt. With this she wore a pink bonnet shaped headpiece and carried a mixed bouquet with showers of satin streamers.

As bridesmaid, Mrs. Gladys Moulder appeared in a pale green gown in falls in design similar to the matron of honor. She also carried a mixed bouquet and wore matching bonnet.

Mr. Clair Moulder served as best man, while ushers were Mr. Roland Lloyd and Mr. Carl Supple.

The mother of the bride selected a print in navy blue with navy and white accessories. Mrs. Erb chose a green print dress with black accessories.

Following the wedding a reception was held for the couple at the home of the bridegroom after which they left for a week in Atlantic City. For traveling Mrs. Erb was attired in a black suit with black and white accessories.

Both Mr. and Mrs. Erb are graduates of Warwick High school, the bride in '46 and the bridegroom in '48. Mr. Erb is attending Muhlenberg college in Allentown, while his bride is employed as a hairdresser in a beauty shop.

New Head Elected As Housewives Meet In East Nantmeal

Mrs. C. Raymond Loomis was elected president of the West Vincent Housewives' league at its meeting Saturday afternoon at the home of the retiring president, Mrs. Luther Kulp, East Nantmeal.

Other officers elected included: Mrs. Russell Brown, vice president; Mrs. Wilson Webster, secretary; Mrs. Harold Lums, corresponding secretary; Mrs. Davis Loomis, treasurer; Dr. Catherine Bishop, chaplain, and Mrs. Luther Kulp, pianist.

During the business session letters were read from the Chester Valley Visiting Nurse association thanking the group for the baby blankets received, while another letter of thanks was read from Mrs. Chester Ranck, thanking the group for five boxes sent to Lucky Pork, Ky., containing food and clothing for the needy.

In the absence of the chaplain, Mrs. D. C. Knauer took over the duties. Various members of the organization planned yesterday to decorate the graves of former members of the group, who are deceased.

IN THE NAME OF the group, Mrs. Russell Brown, Friday, presented to Miss Betty Lou Smiley, a student of St. Matthews school, West Vincent township, a five dollar bill as a citizenship award.

Following the business meeting, much merriment was caused by a weighing-in ceremony, with Madam Whittier—in everyday life, Mrs. Karl Garvine—conducting a reduction service, designed to whittle pounds from those who like eating too well for their tummys' measurement. Each member was commanded to compose a poem apropos to reducing and recite it upon the spot. Mrs. Lesley Phillips was the nurse in charge of measurements following the exercises.

Upon retiring to the luncheon table members were surprised to find a dietary refreshment course offered of rye crackers, butter milk, carrots and a sliver of cheese. Since this seemed inadequate after the strenuous exercise, the hostess next treated to a full blown satisfying luncheon.

The next meeting will be held in the form of a picnic, June 26, at the home of Mrs. Lesley Phillips, East Nantmeal.

Miss Muriel Prutzman Becomes Bride Of the Rev. Robert Pike in Pretty Rites

On Saturday afternoon, in the First Methodist church, Miss Muriel Katherine Prutzman and the Rev. Robert Clyde Pike were united in holy matrimony by the Rev. Horace N. Olevier, pastor, in a double ring ceremony performed before an altar decorated with white snapdragons and palms.

Miss Prutzman is the daughter of Mr. and Mrs. Samuel T. Houston, 518 North Franklin street, while the Rev. Pike is the son of Mrs. Elsie Pike, 418 North York street, and the late E. Clyde Pike.

Appropriate bridal music was provided by church organist, Mrs. Jeanne Lepperd, and soloist, Mrs. Helen Myers.

Given in marriage by her father, the bride looked lovely in a white beaded gown featuring long sleeves coming to a point over the wrist, an illusion neckline trimmed with seed pearls and crystal beads, pointed bodice and a full skirt ending in a circular train. Her chapel length veil with scalloped edges fell from a crown of tulle and crystal beads. She carried a pray-book to which was attached a white orchid from which fell streamers decorated with sweet peas.

MRS. JANE Springer, the matron of honor and sister of the bride, was attractive in a gown of yellow taffeta which featured a square neckline, cape sleeves, a full skirt with a bustle bow in the back and long matching mitts. She carried an arm bouquet of lavender carnations and wore a matching band of flowers in her hair.

Both bridesmaids, Mrs. Catherine Smith and Mrs. Grace Kovato, wore gowns of turquoise blue taffeta with boat neckline, fitted bodice, cape sleeves and full hoop skirts, caught up with bows. They carried arm bouquets of yellow carnations and wore matching bands of flowers in their hair.

Mr. Norman Smith was best man for the Rev. Pike, while Messrs. Jack Springer and George Prutzman acted as ushers.

THE MOTHER of the bride, Mrs. Prutzman, was attired in a gray and white print dress with black accessories, while Mrs. Pike chose an aqua and black print dress with black accessories. Both mothers wore gardenia corsages.

After a reception held at Howard Johnson's restaurant following the ceremony, the couple left for a honeymoon trip to Ocean City, N. J. for one week. For traveling, Mrs. Pike wore a forest green linen suit trimmed with gold, white and gold off-the-face hat, a brown skin shoes and bag. She also wore her bridal orchid.

When they return, the Rev. and Mrs. Pike will reside temporarily at the home of the bride's parents.

Guests attended the wedding from Washington, D. C., Wilmington, Del., Coatesville and Reading.

The bride was graduated from the Pottstown High school, class of 1943, and is employed at Smale's printery. The bridegroom was graduated from Hershey Industrial school, class of 1942, and served for three years in the U. S. Navy. He is now attending Albright college, and is pastor of Mt. Carmel Methodist church at St. Peters.

BARCLAY ON BRIDGE

By SHEPARD BARCLAY

A Much Better Chance

EVEN the least tyro knows that the best chance for a trick with a guarded king is a lead toward it. Those who slightly better know that a lead away from an ace toward a guarded queen is the best chance to get a trick with it. Why is it that only much better players apply the same principle a step lower? When a guarded jack is opposite an ace-king, a lead toward it has at least an even chance to make it a winner. That is much superior to a mere effort to find six outstanding cards of a suit evenly split.

Practically that identical bidding came at nearly all tables of a big duplicate. Most of the declarers being set by similar play. The heart K was scored, the Q ruffed, trumps drawn with three top spades, two top diamonds scored and a third given up in the hope that the thirteenth would set up, so it could be used to discard a club. When that failed, South had to lose two clubs and was set a trick.

Another declarer played the dia-

monds right. The first five tricks were the same. Then he led to the diamond A and brought back the diamond 3 toward the Q, hoping to find East with the Q, an even money chance. Even if he hadn't he still would have retained the chance to find the suit breaking evenly, making this play overwhelmingly better than the other method. East followed his win of the diamond Q with his heart J, which was ruffed. The diamond J was scored and the club 3 led. West scored his A and sent back the heart A for a ruff. Now the club 6 was led to the K, the diamond K played for a discard of the club 8, and the spade Q took the final trick.

That correct play was tried by the declarer at still another table, but East thwarted it. Noting that the club K would be a re-entry to the dummy, he followed the diamond Q trick with a lead of the club J. The K of that suit was therefore, removed before South could score the diamond J and get back to the dummy afterward to use the K for a discard.

RAIN POSTPONES MIDGET RACES AT SANATOGA

Wrestling Takes Over Spotlight at Track Today; Dusek Brothers to Battle

Steady rain early yesterday afternoon forced officials at Sanatoga speedway to postpone until next Sunday its program of seven races which would have brought some of the country's top drivers to the local racing oval.

Everything was in readiness for the time trials when rain began to fall early in the afternoon. Time trials were called off, but track officials said the races would be held.

When rain failed to stop at two o'clock, the races were also called off.

ONLY TEN CARS were at the track when officials announced over the public address system that no races would be run.

Rain late Saturday night and early Sunday morning turned the parking lot at the speedway into a pool of mud, but despite poor weather conditions approximately 100 fans were at the track for the races.

Wrestling will take over the spotlight at the speedway this afternoon. Officials of Sanatoga Amusements Inc. announced that the famed Dusek brothers from Omaha, Neb., will wrestle in the main bouts of the Memorial Day program.

RUDY DUSEK, the star of the great wrestling family, will engage with Frank "Chazzy" Hewitt, Canada, in the feature event while his brother, Wally, will take on Jim Willis, Holy Cross, in the semi-main event.

Other bouts scheduled for this afternoon find Abe Stein, Brooklyn brawler, meeting Fritz Ziegler, Jamaica, L. I., and Jim Auster, Clinton, N. J., facing Dutch Schweigert, Camden, N. J.

Karver Retains IC-4A Title By Winning Mile in 4:17.5

Gerry Karver, former Boyertown High athlete, retained his mile run championship in the 72d annual IC-4A outdoor championships Saturday afternoon after a tough last-lap duel with Villanova's George Thompson. Karver was timed in four minutes, 17.5 seconds.

The time, however, was five seconds slower than Karver's clocking a year ago. Karver, who is regarded as one of the best American milers, was challenged by Thompson on the back stretch. The Boyertown runner held a mere one-yard lead as he came around the final turn, but he sprinted down the straightaway and broke the tape more than six yards ahead of Thompson.

Karver, who failed badly when he tried to keep pace with Gil Dodds on the boards the past Winter, has been timed in 4:11 for the mile and has turned in other good times on the cinders.

RATED AS the best collegiate miler in the country, Karver is regarded as a sure bet for Uncle Sam's Olympic team which will go to London this Summer.

His teammate, Horace Ashenfelter, is also expected to make the Olympic team as a two-miler. Ashenfelter is regarded as the best two-miler seen in the United States since Notre Dame's Greg Rice dug his spikes into the cinders.

Ashenfelter, Collegeville athlete, won the two mile crown in the IC-4A meet Saturday in nine minutes, 13.2 seconds.

Racing Program Opens Season at Spring City Track

The horses will run at Spring City race track today in the opening matinee of the season by Spring City Driving association.

Preceded by a half hour concert by the Spring City High school band, directed by Robert W. Hallman Jr., at 1:30 o'clock the racing program will consist of six events comprising three classes of harness races, three heats to a race, a three-quarter mile flat race for thoroughbreds only, a five-eighth mile race on the flat for pleasure horses (thoroughbreds barred), and a pony race. Events will be run every 15 minutes during the afternoon.

A large entry list has been filled with speedy horses, but post entries still will be received today. Purses of \$100 have been posted for each of the harness races, with \$75 for the three-quarter mile thoroughbred race, \$50 for the five-eighth mile pleasure horse race, and \$25 for the pony race.

Among the entries received by Paul Miller, secretary, are Judith Hanover, owned by Ernest Roediger, Norristown; Joseph Seniah and Cecil Gallon, owned by Arthur C. Hahn, Pottstown; 7-Up Reilly, owned by P. J. Reilly, West Chester; Jane Majesty, owned by Warren Henderson, Downingtown; Lawrence Abbel, owned by Walter Weldon, Berwyn.

Pittsburgh Captures Doubleheader From St. Louis Cardinals

PITTSBURGH, May 30 (AP)—The Pittsburgh Pirates pounded four St. Louis Cardinals pitchers for a total of 12 base hits today, including four home runs, to defeat the Redbirds by a 9-3 score. The Pirates also won the second game, 7-6.

Howie Pollet started for the Cardinals but gave way to Ken Burkhardt in the fourth inning. Burkhardt lasted only two innings, being blasted from the hill in the sixth. Two rookies followed Burkhardt and limited the Pirates to one run thereafter.

Wally Westlake hit two homers and Chuck Stevens and Clyde Kluttwitz each smacked one for the Bucs.

NEWHOUSER HURLS DETROIT TIGERS TO 6-4 TRIUMPH

ST. LOUIS, May 30 (AP)—Hal Newhouse worked his way out of an eleven inning threat after Pat Mullin had given him a two-run lead with a single in the top of the inning giving the Detroit Tigers a 6 to 4 victory over the St. Louis Browns today. The triumph put Detroit back up in fourth place, dropping St. Louis back to fifth.

Frank Biscan, who pitched some remarkable relief ball starting in the seventh frame, walked Connie Berry in the eleventh after Eddie Lake had singled. Mullin then singled, scoring Lake and Berry came in on Paul Lehner's well throw.

BEAT MACKMEN IN FIVE INNINGS BY 2-1 SCORE

Rain Halts Contest at Shibe Park; A's Win First Game in 10th, 7-6

PHILADELPHIA, May 30 (AP)—Rain helped the New York Yankees shatter the Philadelphia Athletics' eight-game winning streak today as the umpire ended the second game of a twin bill after five innings with the Yankees ahead 2-1. The A's came from behind twice in stirring rallies to win the opening game, 7 to 6 in 10 innings.

It was Vic Raschi who stopped the Athletics' win string at eight just as he did to their 10 game streak earlier in the month. The Yankees' swift right-hander cut down the A's with three hits to send 28,586 rain-drenched fans home none too happy.

The Yanks' two runs came across in the fourth inning after Bob Savage had held them hitless for three and one-third innings. With one out, Yogi Berra slammed a triple and tallied on Bill Johnson's two-bagger. Phil Rizzuto's one-baser brought Johnson home with the vital tally.

THE A'S LONE RUN was scored in the opening frame when Eddie Joost singled, went to third on Don White's double and crossed home plate as Elmer Valo grounded out. Most of the day's thrills were packed in the opening contest when the A's beat the Yankees for the fifth straight time this season. The Yank's sluggers cracked base hit after base hit off young Scheib, but the A's did their hitting and scoring in the clutches.

In the 10th, Ferris Fain cracked out a double with one out. Relief pitcher Karl Drews walked Hank Majeski to get at Sammy Chapman, but the strategy backfired when Chapman drilled a single into left field scoring Fain with the winning run.

GIANTS TROUNCE PHILLIES, 10-4 Hartung Scatters 9 Hits For Victory; Thompson And Lockman Hit Homers

NEW YORK, May 30 (AP)—Clint Hartung made his first start of the season today and pitched the New York Giants to a 10-4 victory over the Philadelphia Phillies. Homers by Dick Sisler and Eddie Miller accounted for three of the Philadelphia runs. Bobby Thomson and Whitely Lockman homered for the Giants.

Hartung, a converted outfielder, scattered nine Philly hits while the Giants clubbed three Philadelphia pitchers for 14. The Giants pounced on starter Sam Nahem for three runs in the first inning on doubles by Bill Rigney, Johnny Mize and singles by Willard Marshall and Lockman. They added single runs in the second and third innings and sewed it up with four more in the seventh. Lockman homered to start the Giants' seventh inning rally.

ATTENDANCE for the nation's biggest single day sports spectacle may reach a record 175,000. All 65,000 reserved seats, ranging in prices up to \$15, have been sold. Speedway officials are preparing to handle an overflow crowd of tremendous proportions in the spacious infield of the 2 1/2-mile track.

Only the weatherman's nod is needed to assure a dry, fast track, and perfect racing conditions. The forecast was for slightly cloudy skies, with temperatures in the 80's, but no rain.

The race itself will start at 10 a. m. (Pottstown time), when the pace setting car drops down on the apron at 95 miles an hour and starter Seth Klein waves the racers away on their hazardous 500-mile journey at terrifying speeds.

New in tomorrow's race is the first six-wheel car ever to race here; another is a bus engine job trimmed to speedway specifications. American-made cars predominate, but they will be challenged by four Italian cars—3 Maseratis and an Alfa-Romeo. All eight cylinders—and a German made 12 cylinder Mercedes.

Senators Take Series From Boston Red Sox

WASHINGTON, May 30 (AP)—Washington swept a four-game series with Boston here today as Earl Wynn limited the Red Sox to five hits for an 8-1 victory. Ed Stewart and Gil Coan blasted home runs for the Senators, who dealt Denny Galehouse his third defeat without a win.

Stewart shot the Senators into a 2-0 lead in the first inning when he lifted his first home run of the season over the right field fence after Coan had singled.

Stewart's double and singles by Earl Wooten, Al Evans, Johnny Sullivan and Eddie Voss gave Washington three runs and a 5-0 lead in the seventh.

Boston scored its only run with two out in the eighth when Bobby Doerr walked and came around on singles by Birdie Tebbetts and pinch-hitter Wally Moses.

Washington bounced back with three runs in the eighth off Earl Johnson and Chuck Stobbs. Coan posted a homer over the right field all before Mickey Vernon singled, Wooten walked and Evans tripled.

Citation Wins Easily At Garden State

CAMDEN, N. J., May 30 (AP)—Citation's horse laugh was louder today than it ever was before. In the Jersey Stakes, Citation smashed the Garden State park record for the mile and a quarter by one and three-fifths of a second as he was clocked in 2:03.

Trailing the fleet son of Bull Lea by ten lengths was Macbeth, the J. M. Roebeling entry who carried only 114 pounds to Citation's 126. Also finishing were Samuel Riddle's Faraway, who took third when Bovard, owned by Sylvester Labot Jr., was disqualified because of a foul, and A. J. Sackett's Gasparilla.

Royersford Seniors Advised to Choose Path Leading to Christian Way of Life

The Rev. Franklin P. Watts, Royersford Evangelical and Reformed church pastor, told Royersford High school graduating class last night the state of the world today and the powers of destruction discovered by man make it necessary to choose that power which will give us life, the power of good unto salvation.

The Rev. Watts delivered the sermon at the annual baccalaureate service in Royersford High school auditorium with congregations of other churches and the class, faculty and directors in attendance.

"Choose Life" was the theme of the message of Pastor Watts, who based his sermon on the text found in Deuteronomy, "Choose life, that you and your children may live by loving the eternal your God, obeying His voice and holding fast to Him."

LAYING EMPHASIS on the fact that the most important thing in the lives of graduates will be their response to the voice of God, he declared "The urgency, the necessity of choosing the Christian way of life is so important in the times in which we are living that it might be well called a matter of life and death."

He pointed out "There are two ways to live, the right way and the wrong way. Each one has it in his own power to determine the way he shall go. Choose ye this day whom ye shall serve. For me to live is Christ."

"Fortunate is the high school boy or girl whose parents guided them toward the appreciation of the good things in life, the church, Bible, worship in the home. Some parents love their children, they give them everything they want, and forget about the things they wish to have and which are most important, a sense of God as revealed in Christ and a love for truth."

"Teachers constantly imparting a kind of spirit to their pupils and whether they know it or not are constantly endowed with the power to teach religion, through their own character and personality. Virtues of kindness, patience and love in the teacher has worked greatly to produce good citizens of the future."

"CHOOSE LIFE BY loving the eternal your God, by fellowshiping with Him, by a spirit of reverence toward Him. This love of God produces in one an appreciation of the finer things of life which leads us to successful living and the making of better world."

"Obey His Voice, which tells us our road to life leads us in the pathway of service. The first duties of Christians are kindness, consideration, patience, tolerance and good will. Unless we get this idea into our minds and hearts, the world cannot long survive. We are past the point where religion is something which doesn't mat-

Declaring their opposition to the proposed Garrison Dam on the Missouri river in North Dakota, members of American Indian delegations are shown in Washington. Pictured after they had appeared before a House Public Lands subcommittee hearing are left to right: Mark "Bear on the Water" Mahto; Jefferson "Bulls Eye" Smith, representing the Gros Ventre tribe, and Joseph "Running Wolf" Packineau. They seek benefits beyond the \$5,105,625 appropriated by Congress to help them move from the riverland which, they declared, would be flooded by the proposed dam if it is constructed.

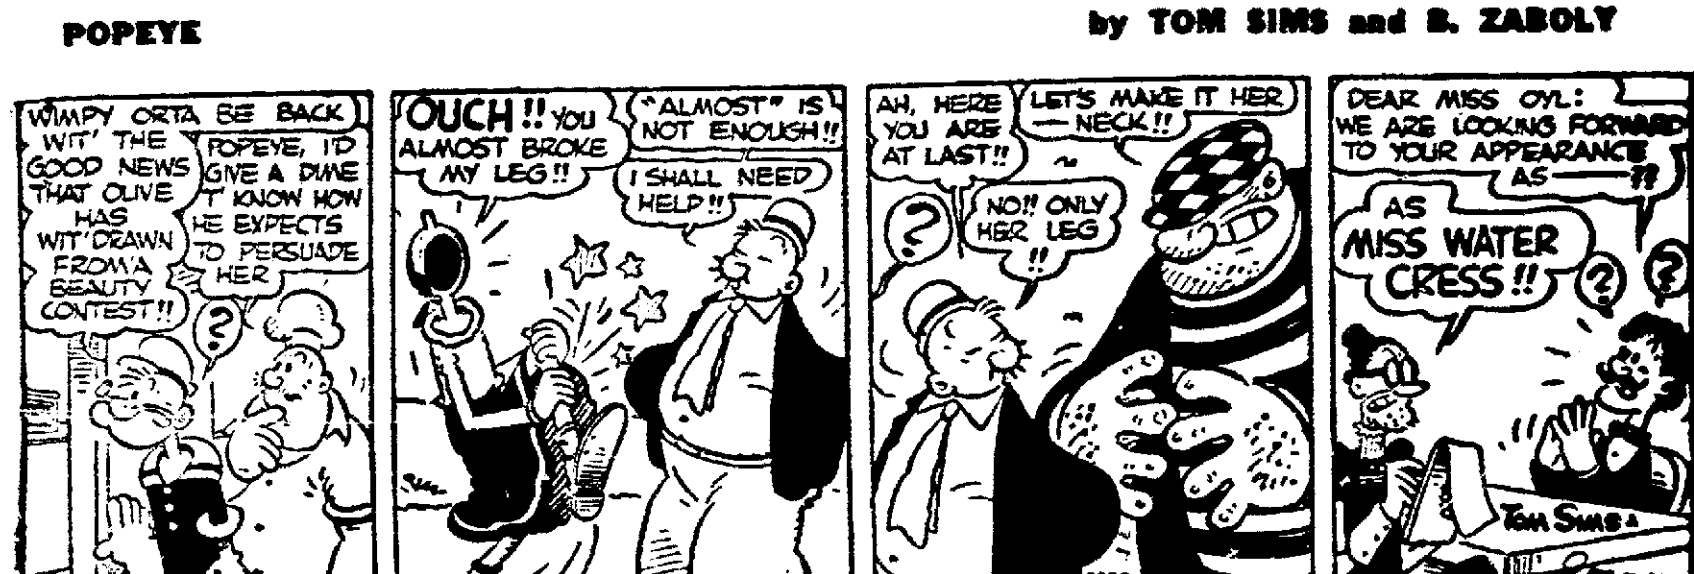

In the reception line at the Republican hall sponsored by the District of Columbia League for Republican Women, in Washington, are (left to right) Sen. Arthur H. Vandenberg of Mich., Mrs. Robert Taft, Sen. Taft of Ohio, and Mrs. Vandenberg. Sen. Taft is considered one of the leading aspirants for the GOP presidential nomination, while Vandenberg has often been mentioned as a possible "dark horse."
